

Site Council Meeting Minutes  
October 25, 2016

Site Council reviewed the McCornack Elementary School Discipline System document. The staff will review this document on Friday.

We discussed the Family and Community Involvement section of the Comprehensive Achievement Plan. Parents are informed about Title 1 information in Back to School packets, by email, Friday folders, at our annual Title 1 meeting on Curriculum Night and through our Family Fun Nights. Students receiving Title 1 services will receive a letter home. Our bi-monthly newsletters also have Title 1 Tidbits. Site Council will look at drafting a parent rights and responsibilities document to assist families with Title 1 information.

Site Council will continue to support the on-going implementation of the Comprehensive Achievement plan by meeting regularly to review the plan. We reviewed the comprehensive achievement indicators and will continue to work on these indicators throughout the year.

Our Fall Title 1 night will be held on November 17 from 6-7:30pm. We will be doing a pirate literacy theme and have an open house style format. The book fair will be one of the stations that evening and families will receive a passport that will be used for door prizes. Discussion followed about providing bookmarks to families for reading strategies.

Our next Site Council meeting will be held on November 29, 2016.
