Report on Title I Family Fun Night with Jen Kirkwood:

Attendance 83 Families; 230 people present. Evening flowed well with lots of room in the sessions. We discussed whether or not to spread out to all classrooms or condense it to the main wing. Sometimes students want to see their teachers in their rooms and show parents their desks. The Book Fair was a main draw and the pizza was popular.

Next Title I Night is [Thursday, March 22](#) with the Focus on Math.

Meeting Adjourned.
