Meeting began at 6:35 PM.

Principal's report – Enrollment is at 330, no fluctuation. Working on a schedule the school/event calendar and plan to complete it by April. Staffing comes out in February. Hoping for more initial (beginning of school year) staff.

Financial update – Raised \$400 for box tops. No info re: money raised from the dinner fundraisers.

Science Night – Students need to know the correct display format – mounted flat or on wall or triptych? Dinner will be from Jalisco's. We don't need help with serving but families should be prompt in arrival.

Should the PTO donate \$400 for the Science Night performer, Rhys Tomas?

We currently have approximately \$3800 cushion and fundraising is currently going toward next year. Perhaps the PTO could donate \$200 to dinner and \$200 to the performer to stay within bylaw guidelines.

No chocolate fundraiser this year since we are already ahead of target goal for next year. Historically, a few thousand rollover from unused field trip and other funds.

Cat motioned to allocate \$200 to pay for Jaliscos, seconded by Lynn, motion passed unanimously.

Online deposit from the Jog-a-thon has not gone through yet. Lynn will check on it.

Movie night details reviewed.

Carnival 2020 – 6/5 @ 5:30 – 8:30.

Petting Zoo option raised by Alice.

Bracelets for unlimited tickets option (except the snack walk and potentially others).

Teachers are not comfortable approaching parents to volunteer. PTO can approach parents with the ask: can you staff booth X and can you find 3 more parents to help man booth for entire night? Person approached then would be in charge of booth, would manage team and work out staffing schedule.

Decentralizes leadership, no micromanaging required. High school students – high energy but unreliable.

Games for last year on list, game committee can add/subtract.

Need better tally for concessions for future references.

Dana will check possibility of professional face painter.

Lynn will work with Misty on collecting donations, but needs understudy from current group to learn the ropes.
