

April 6, 2021

PTO board meeting, regularly scheduled

Via Zoom, link sent in principal's April 2 email.

Agenda:

-Principal Report

-Treasurer Report

-4/22 Papa's Pizza Fundraiser

-May 3-7 is Teacher/Staff Appreciation Week so we should think about what we can and want to do for that this year.

-5/11 PTO General Meeting

-When would we like to do our virtual talent show?

-Looking ahead to next year and when/how we want to do PTO elections.

In attendance:

Lynn Kane

Dana Brummet

Jill Bakken

Jennifer Heuett

Yuli Martinez

Jen Davis

Mary Kuhl

Meeting began at 6:38 by Lynn.

Principal's update:

In person school has resumed. Orientation was well attended and successful. Possibility to continue orientation type activities at the regular return to school. SSO students began working in their cohorts. Everyone is following one of the master schedules that should be in place until the end of the year.

Ms. Dana may be trained on how to perform COVID rapid tests soon.

Ms. Kuhl – OBOB update – will be updating OBOB dates soon, still in progress. Dates will likely be in May.

SSO families are finding the transition to be reasonable and working relatively well. Bumble will be visiting SSO classes to take pictures with kids.

Everyone appreciated the encouraging signs decorating the front of the school.

Ms. Dana will check in with the SSO teachers to make sure that the SSO kids are shown McTV.

Water bottles: All hybrid kids were given a personalized McCornack water bottle. A parent offered to make more as a fundraiser. General support for Dana following up with the parent to determine how to pursue this fundraiser. Dana will put together a google form for ordering.

Jill proposed a plant start sale fundraiser. Maybe we could use a google order form and then do a pick up arrangement like supply pick up. Payment would need to be in cash or check. School is still working on online payment/cards. Jen suggested that the plants be put in peat pots to differentiate from other plant sales. Ruthie (Jill's daughter) will draft a plan and submit to Dana and Dana will submit the plan to the COVID regulators for approval.

Volunteers can be on the school campus now if they are outside and for the health and safety of the children.

Naomi's attempt to install a little free pantry on campus was denied due to COVID. Naomi will submit the forms in September to see if the COVID restrictions are lifted. Support for Naomi to try again in September.

Papa's pizza fundraiser in April.

Talent show/variety show – likely the same format as last year. Mary will spread the word that the show will be happening this year. Likely will occur in late May or June.

Kindergarten orientation is on Thursday via Zoom at 5 pm. There will be three kinder classrooms next year.

1st week of May is staff appreciation week. All food needs to be professionally prepared. Individual servings preferred. Brainstorming. Most staff are not on campus on Wednesdays. Deliveries can be made on Wednesdays. Jen and Lynn will send out communications to parents soliciting contributions by Friday. Dana will cover the event for Thursday of the week. Jen, Lynn, Jill and Dana will cooperate to accomplish all of the activities for staff appreciation week.

We made \$60 from the Panda Express fundraiser.

Meeting adjourned at 8:20 pm.
